Thank you all for attending RE'18

NAMING THE PAIN IN RE (NAPIRE) – MOST CITED RE PROBLEMS

- Incomplete and/or hidden requirements
- Communication flaws between project team and customer
- Moving targets (changing goals, business processes and/or requirements)
- Underspecified requirements that are too abstract
- Time boxing / Not enough time in general
- Communication flaws within the project team
- Stakeholders with difficulties in separating requirements from known solution designs
- Insufficient support by customer
- Inconsistent requirements
- Weak access to customer needs and/or business information

Méndez, F. D., et al.: Naming the Pain in Requirements Engineering: Contemporary Problems, Causes, and Effects in Practice, Empirical Software Engineering (2017)

Monday	Tuesday	Wednesday	Thursday	Friday
07:30-17:30 Registration - Room: KC 204				
Industry Day	Doctoral Symposium	08:45-09:15 Opening	09:00-09:15 Awards	09:00-10:30 • Smart Cities & Systems of Systems • *Legal Requirements* • RE@NEXT!: New Directions in RE
Workshops	Workshops	09:15-10:30 **Keynote** Jane Cleland-Huang	09:15-10:30 **Keynote** Gail Murphy	
WS01 ESPRE'18	WS02 AffectRE'18			
WS03 RESACS'18	WS04 AIRE'18	10:30-11:00 Network Break		
WS06 D4RE'18	WS05 REET'18	11:00-12:30 • RE and Management • Evolution and Tracing • RE@Next!: Towards Better Requirements	11:00-12:30 • Elicitation and Interviews • User- and Feedback-Driven RE • RE@Next!: Specification and Modeling in RE	11:00-12:15 **Keynote** Krzysztof Czarnecki
				12:15-12:45 Closing and Outlook to RE'19
WS09 MoDRE'18	WS07 QuaRAP'18	12:30-14:00 Lunch Break (Vistas Dining Room) **Please Note:** Lunch in the Vistas Dining Room will be provided up to 13:30		12:45-14:00 Lunch Break (Vistas Dining Room)
WS11 RE4SUSY'18	WS10 EARS'18	14:00-15:30 • Negotiation and Conflicts • Adaption and Feature Interactions • Panel: RE Cares	14:00-15:30 • Understanding and Visualization • Requirements Quality • Data Showcase and Data Challenge	14:00-16:00 **Open Space**
WS12 EmpirRE'18	WS13 RE Cares'18	15:30-16:00 Network Break and Poster Booth		
Tutorials	Tutorials	16:00-17:30 • Agile RE • Mining Product Data • Posters and Tools Demos	16:00-17:00 • User and Market Analysis • Most Influential Paper – 10 Years After • Panel: Data-Driven Requirements Engineering	
T04 - Half-Day tutorial - AM T06 - Half-Day tutorial - AM T02 - Half-Day tutorial - PM	T01 - Full-Day tutorial T05 - Half-Day tutorial - AM T03 - Half-Day tutorial - PM			
Social Events				
18:00 Industry Day Dinner Room: KC 105	**18:00 Reception at The Banff Centre Room: KC 103 (first floor at the Kinnear Centre)**		**17:45 Busses depart from the Banff Centre** (in front of the Professional Development Centre) **19:30 Dinner and Community Awards at the Fairmont Chateau Lake Louise**
